The natural beauty!

PREMIUM OPEN PLOTS @ IBRAHIMPATNAM, HYDERABAD

Welcome
to nature's
park. 

If you are looking for nature, then nature will come looking for you. Because in the world that is today, there are very few who value nature. There are very few who value nature's treasures, its richness, its breeze, its fragrance, its mud, its rains — and the fruits that nature makes for us in its kitchens. Come walk your way into nature's park at Nirvana County.

Nature and its beautiful bliss. 🌿

Nirvana County is an expansive 22-acre landscape that is abundant with greenery. What we bring to you is the opportunity to own a piece of this haven that's dotted by a whole lot of features that make it a must-have as an investment, or just for a weekend home. Pathways lined with tall trees, mini-walkways with flora on either side, and lots more are here.

NIRVANA COUNTY
 The natural beauty!

MASTER PLAN

Own a pie of nature. 🌿

Like we said, Nirvana County is spread over 22 acres of verdancy that is segmented into Open Plots that span from 150 sq yds to 390 sq yds. Imagine living in a community where there are tiny lanes between rows of houses or rows of endearing villas? True, that's the kind of commune you can expect to live in at Nirvana County.

Potential for many possibilities.

When you invest in a property, the location must be such that it either holds a promise for future growth or a possibility to be a future address of residential living. Located in Ibrahimpatnam, Nirvana County is in a destination away from the mad city life, but in the fast-developing destination which is in nearness to top corporates, government offices, private manufacturing units, and near a lake you would want to spend time by.
